Dear Sir:

This paper is submitted in response to the non-final office action dated January 20, 2004, in which the Examiner rejected all pending claims 1-27 as either anticipated (35 U.S.C. §102) or obvious (35 U.S.C. §103) over prior art. Applicants have amended claims 1, 10, and 19 to correct a typographical error. Applicants traverse the prior art rejections and submit that all pending claims 1-27 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2.

**Remarks/Arguments** begin on page 9.
